Volume 13 Issue 1, Spring 2009

Message from Barbara Strauss NOTSL Chair

“Cataloging Integrating Resources” is the topic for the NOTSL spring 2009 meeting. The very cool thing about this program is that we have a speaker from last fall’s OLAC/MOUG conference, “Rocking the Metaverse: A/V Cataloging in a Web X.0 Environment “. Joseph Hinger from St. John’s University Law Library will return to Cleveland for a command performance and extended workshop on cataloging integrating resources; he will focus on web resources. Catalogers who attended the OLAC/MOUG event reported that Joseph’s workshop was one of the best they have had. Quoting one cataloger: “He provided real-life examples and talked about them in understandable language.” What a valuable combination that is!

Many of you have already checked out our new website, www.otsl.org, and viewed the new blog format. We are updating our emailing list, which was gathered from past spring and fall meetings. Please watch for announcements from NOTSL through email. If you would like to add names to the list, please send them to Roseanna O’Neil at oneilr@oclc.org. Announcements about our spring meeting have been distributed through various technical services listservs. A registration form for our spring meeting is in this newsletter and on our website.

Congratulations to our scholarship winners! In these financially trying times the benefit of these scholarships is significant. The criteria for the scholarship cover a wide range of activities from tuition for university classes, tuition for workshops, travel expenses to conferences, support of research and many other worthy activities. Look ahead to next year; plan to enhance your skills; and, apply for a NOTSL scholarship.

NOTSL SPRING 2009 Workshop

Cataloging Integrating Resources

April 3, 2009

9:00 a.m. – 3:30 p.m.

[Cuyahoga County Public Library](#)

Administration Building
2111 Snow Road, Parma OH

Register by : March 27, 2009

Did You Know?

At every NOTSL meeting two names of attendees are drawn to receive free attendance at one of the next two workshops!

That is probably one of the best bargains in town! Pay \$40.00 for the Spring Workshop, and attend one of the next two NOTSL workshops free, no matter what the price is.

Come be a part of the Spring NOTSL workshop and put your name in the drawing for a free workshop.

NOTSL Scholarship Program

NOTSL awards annual scholarships to persons currently working in a professional, para-professional, or support position in a technical services area of an Ohio library, or to persons currently taking technical services related course work/training who plan a career in technical services. One or more scholarships (generally totaling \$1000.00, maximum total of \$1,500) are awarded each year. For 2009, there were four NOTSL scholarships awarded with each recipient receiving \$375.00. Look over the list of winners below, congratulate the recipients when you see them, and note how they are using the money. Perhaps next year you can apply for a scholarship.
